

**REMARKS**

The amendments are made in view of the Examiner indicating that the claims are allowable; however, that there is still a potential obviousness-type double patenting issue over US 7,666,868. The amendments render moot any such potential issues. The corresponding Q in US '868 cannot be Ar1 as recited in the claims of this application.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

/Csaba Henter/
